Anne Marie Halsey joined Children's National in 2011 and is responsible for leading the development and management of Children's Hospital Foundation's internal policies and procedures. Anne also serves as the primary Foundation liaison to the Hospital's finance team on internal and external audit issues and Special Purpose Funds.

Previously, Anne served as Manager of Donor Relations at the Smithsonian Institution where she was responsible for providing pan-institutional donor relations and stewardship support for special projects, major donors and the Smithsonian National Board. Anne's eleven years of service at the world's largest museum and research organization included development experience serving on "operations" and "advancement" sides of the fundraising team.

Prior to joining the Smithsonian, Anne provided informational research services to immigration and asylum attorneys and other non-profits. She also maintained an equine business specializing in sport horses.

Anne has been a member of ADRP since 2006 and was elected to the Board in January 2011. She currently serves as Vice Chair of the Member Relations Committee and as a member of the Finance Committee.

Anne earned her Master of Science in Justice, Law and Society from American University and her Bachelor of Arts in Law and Society from Hood College. She is a member of the Council for the Advancement and Support of Education (CASE), Association for Healthcare Philanthropy (AHP), and Association of Advancement Services Professionals (AASP).
