Hi Michael,

Fall term has just ended, meaning Hasenstab Hall has been an integral part of campus for three years already! It continues to offer beautiful spaces for students to learn, and I hope this video shows just how much students love it.

Happy Thanksgiving,
Kathy Toay
Director of Stewardship

Hi Jeff,
Thanks to you, the newly remodeled Dacie Moses House is a joy to all our students, especially the Singing Knights and the Knightingales. I hope you enjoy this video a Carleton student made!

Best,
Dan

"It's always been such a treat for us to rehearse somewhere as welcoming as Dacie's, so thank you to the donor who cares for the place that cares for us. The new additions are lovely—it's so nice to have an open kitchen where people can eat and cook together, and the new (in tune!) piano is a big help for rehearsals."

—Tadeo Ratzlaff '26, member of the Singing Knights

Hi Laura,
Sundem House has been open for (almost) a full academic year, and its residents love it! I hope you enjoy this video that Mariah Loehr '26 put together to show off this incredible space.

With gratitude,
Dan
