2018 International Stewardship Awards: Impact Reporting Award

Application Details

*Please prepare the following information prior to beginning your application:

- Brief description of entry
- Overall Entry Budget
- Quantity of reports produced
- Report type
- Target report audience
- Purpose of report
- What made this report innovative? How was it above and beyond the traditional impact report?
- Did you overcome any obstacles to develop and/or produce this report?
- How did you determine the report was a success? How did you measure donor engagement post-report?
- A leadership team contact, so we may notify your team if your submission is selected as Best in Class.
- Any additional documents or files related to your entry (i.e. budgets, flyers, reference examples, etc.) may be attached to your application as one conclusive document.**

*These prompts do not represent the complete awards application.

**Please use the following naming convention for your conclusive document in your application: 2018_Impact_Reporting_Award_LastName_Organization
